APRs FOR BALANCE TRANSFERS

0% promotional balance transfer rate for 9 months on balance transfers made between December 10, 2018 - March 31, 2019. The Annual Percentage Rate (APR) for the unpaid balance of your balance transfers after 9 months and any new balance transfers made after March 31, 2019 will convert to your prevailing non-promotional APR of 9.99% to 17.99% based on your creditworthiness. A 4.5% balance transfer fee applies to each transfer. If you miss a payment, we may end your introductory APR for balance transfers and apply the prevailing non-promotional APR.
